THE MEDIEVAL FESTIVAL AT FORT TRYON PARK

The 2022 Medieval festival is
October 2, 2022.

The event is produced in conjunction with the New York City Parks Department. The festival is held in the area surrounding the world famous Cloisters, a magnificent museum of medieval art located in Fort Tryon Park near the northern end of Manhattan Island. The park offers vistas of the Hudson River and the picturesque Palisades: a setting reminiscent of Europe eight centuries ago.

This one-day festival attracts visitors from throughout the region to see that our community is a nice place to visit and a great place to invest, live and conduct business in. The event features jousting knights on horseback, falconers, Medieval-style entertainment, educational events and over 100 performers in period costumes. Admission is free. WHDC has produced the Festival since 1983. It has grown into the largest scheduled event in all NYC Parks, routinely attracting over 60,000 – 70,000 visitors.
